##### Adult Education Series: Working Together

In the fall, we are going to try something different for Adult Education. Instead of a traditional Bible Study, we are going to focus on a topic. The theme is "Working Together."

This study is for anyone who regularly has to cooperate with other people. If you are a husband who has a wife (or vice versa), a parent who has a child (even an adult child), an adult who has a parent, a worker who has a boss, or a retired person who volunteers...any of these people has to cooperate with others. We have built the course for you. This eight week course will focus on the ways that Scripture teaches us to work together in everyday life.

### Service of Healing and Wholeness TONIGHT, September 17, 6:00 p.m.

It has been a heavy season in the life of the world, our country, and our community. You may find yourself seeking a foothold in the midst of it all, wondering where God could possibly be among the brokenness of our world and the longing of our lives. On Sunday, September 17th at 6pm, we will be offering a Service of Healing and Wholeness. It is a time of reflection, a time to sit intentionally and listen for God's still, small voice. It is a time to bring forward all that breaks our hearts and our lives and offer ourselves to Christ, that we may be made new at the foot of the cross. Join us on the 17th for a quiet and reflective service where you are invited to bring your whole self, exactly as you are, before the God who shepherds us through the valleys, even at such a time as this.

Childcare will be provided.

### Birthday Blessings

Aiden Crank	9/17
Judi Pede	9/22
Timothy Salyards	9/26
Rebecah Hazelton	9/27
Darlene McPherson	9/27
Ruth Kurtz	9/29
Priscilla Van Horn	9/30

If you have a birthday this month and do not see your name here, it is because it is not in our system. Please contact Jenny in the office and she will add your name to the birthday roster.

### Thank you from Jo Renkema

Jo Renkema wishes to thank all who came to visit and help with mealtime. She is able to feed herself now, but would still love to have visitors. She is at Inland Valley Rehabilitation in Pomona. You will need to ask what room she is in as she may have been transferred. If you wish to call Jo, the phone number for the rehab center is (909) 623-7100. Ask to be transferred to Jo's nursing station and ask the nurse to please take the phone to her in her room. Or take a signed card so she can remember who has visited.

Thank you, from Jo Renkema
